The block consists of just three apartments sharing a good sized pool. Sun loungers are provided for use around the pool. Sarabeyaz represents very good value for money!The modern spacious, open plan kitchen/dining/lounge area opens directly onto the wide poolside patio with beautiful views of the mountains. The patio area is ideal for alfresco dining or sitting for a pre-dinner drink or two! - whilst watching the sun set behind the mountains.Guests with mobility issues will also appreciate the lack of stairs at Sarabeyaz. Being on the ground floor, with everything on the same level - and with car parking space right by the front door - access here is much, much easier than you will find elsewhere in Kalkan.Sarabeyaz also benefits from a very convenient location - situated only a short walk from two supermarkets offering fresh bread and milk daily. Just a two minute walk away on nearby Kalamar Road, you will find the legendary Café Vita offering good entertainment and food. Other recommended restaurants are Cafe Aqua, The Brothers and Porcini`s. All these restaurants are in walking distance from the apartment.You could happily stay in and around the apartment every day of your holiday, but Kalkan`s delightful centre, with its beach clubs, boutiques, bars and stunningly good restaurants, many offering roof terrace dining with stunning views over the Mediterranean! is only a 20 minute walk away. If you don`t fancy the walk and don`t want a hire car for your stay, don`t worry - taxi`s are plentiful and cheap in Kalkan!Also in walking distance is the Kalamar Beach Club, where you will find sunbeds, parasols, water sports and floating platforms. Use of the sunbeds, parasols and peddle boats are free along with the entrance, and a free pick up and drop off service is offered due to the location being at the bottom of a steep hill. Going is usually fine but walking back up the hill can be tiresome. During your visit to the beach club you will be expected to purchase food and drinks during your visit and will not be allowed to take your own. The club also offers scuba diving trial sessions and water sport activities at an extra cost. It is well worth a visit!At the marina there are many independent boat trips on offer. The boat trip is usually a full day and visits the many little islands nearby, stopping for those that wish to swim or snorkel. Lunch is provided in the price and is freshly cooked on the boat which is absolutely beautiful! Definitely a highly recommended day out! Price : GBP55,000*
